

Class Name: Elementary Science Zoology 2
Grade levels: 4-7th

Teacher: Trish Akouka

Description: Dive into the underwater world of marine animals! Written directly to the student, the gentle conversational style makes Zoology 2 perfect for elementary children to read on their own, or for family reading times. Presenting information with a strong creationist viewpoint, this detailed book contains chapters on aquatic animals, whales, seals, fish, sharks, reptiles, Cephalopods and many other creatures you didn't even know existed! We will be doing lots of fun labs during class!
