

Homeschool Cooperative Volunteer Duties

Thank you for volunteering at our Central Brevard Christian Co-op! We are so grateful that you are a part of ensuring that our children are not only respectful and have fun at Co-op, but that they are safe while doing so! Your job while on campus is to help guide students towards safe, responsible behavior that is appropriate for a learning environment as outlined in the Co-op Rules and Policies documents. Volunteers will assist with various tasks throughout the day. Young children are welcome to accompany their volunteer parent while he/she is on duty.

****Please schedule your REQUIRED volunteer hours when you can fulfill your entire shift. Volunteers showing up late and/or leaving early create gaps in providing the safe environment we all depend on at co-op.****

Below is a list of items/duties that will need to be done. If you have any questions, please feel free to ask! Thanks again, and have a blessed and wonderful day at Co-op!

Morning & Afternoon Volunteers

-Volunteers will monitor student behavior on campus. This includes outdoor areas as well as the fellowship hall. Please walk around the entire campus once every 10-25 minutes. Visible volunteers will help ensure the safety of all our students!

-During lunch time, 11:25-11:55, volunteers are asked to make frequent rounds of the church campus.

-Volunteers will assist with lab clean-up as needed.

-Please insure that students and parents are following the correct flow of traffic.

-No children/students are playing in playground area or on the equipment.

-Students are expected to throw their trash away in the proper receptacles. Please check to make sure all debris is cleared.

-Students are being respectful to each other and church property at all times. -Students maintain a "study hall" atmosphere in the fellowship hall at all times.

-Please send any student in violation of the dress code into the fellowship hall to Char and Melissa. (shorty shorts/skirts, see thru clothing, clothing that reveals undergarments, spaghetti straps, inappropriate graphic t-shirts, etc.)

****Afternoon volunteers will be required to assist with end of the day clean up. Activities include: trash removal, vacuuming, storing tables and chairs, restroom clean-up, and outside grounds check for litter and lost & found items.**
